Salem, Tamil Nadu | anandhakumaran.m.s@gmail.com | +91 9566892647 | github.com/Anandha-scraper | linkedin/anandhakumaranms

SUMMARY

Full Stack Developer with a proven track record of architecting and shipping end-to-end web applications across the full development lifecycle. Proficient in MERN stack development, RESTful API design, and CRM integrations, with hands-on experience in Firebase deployments, custom domain configuration, and server-side infrastructure. Adept at building scalable CRUD systems, integrating third-party APIs, and delivering performant frontend interfaces. Currently expanding expertise in CI/CD pipelines, cloud deployments, and Web3 protocols — driven by a passion for building products that solve real problems at scale.

EDUCATION

Bachelor of Engineering in Computer Science and Engineering

Expected Jul 2027

K.S.R. College Of Engineering, Tiruchengode

Secondary & Senior Secondary (CBSE) in Computer Science

Aug 2012 – May 2023

Senthil Public School, Salem

SKILLS

- **Languages:** Python, Java, C, JavaScript (ES6+), SQL
- **Frontend Development:** React.js, Tailwind CSS, HTML5, CSS3, Responsive Design, Next.js (Learning), TypeScript (Partial)
- **Backend & Server-side:** Python (Flask), Node.js, RESTful API Development, Server-side Deployments
- **Databases & BaaS:** PostgreSQL, MySQL, MongoDB, Firebase (Firestore, Real-time Database)
- **DevOps & Cloud Deployment:** Vercel, Render (Onrender), Firebase (App Hosting & Cloud Functions), CI/CD Workflows, Git/GitHub

PROJECTS

Blocksmiths

Developed a decentralized document verification platform leveraging Ethereum smart contracts and IPFS for tamper-proof credential storage, earning Top 10 Finalist recognition for pioneering "Gover-Chain" innovation at IIT Madras by Pals innoWAH 2025.

Syntax

Built a role-based coding contest and quiz platform enabling secure assessments, educational content management, and competitive learning experiences for academic communities.

SPOT - Sakthi Auto

Digitized industrial QA workflows by developing a real-time inspection platform under a strict NDA, replacing manual reporting with a responsive interface for instant data synchronization via scalable APIs.

Magizh-Industries

Engineered a responsive enterprise platform featuring OTP authentication, implementing full CRUD operations with comprehensive log tracking for employee management and secure email-based onboarding.

3i Services CRM

Architected an enterprise-grade internal CRM to automate financial ledger tracking and streamline follow-up scheduling, while engineering robust data pipelines and optimizing database query performance to strictly minimize operational cloud costs.

AWARDS

Rajya Puraskar Award

awarded by the State Governor

Highest state-level recognition for Scouts and Guides in India

NCC A Certification

First-level certification in the National Cadet Corps

Pals InnoWah Finalist (Top 10)

Top 10 Finalist at PALS innoWAH! 2025, a year-long innovation challenge focused on solving real-world problems through creativity.
